# ★ GENERAL INFORMATION ★

## REGISTRATION

Registration is required prior to program attendance. Registration may be accepted after the program begins. However, fees are not prorated.

In some instances late fees and non resident fees are required. Please contact the program coordinator at the facility of your choice for further instructions.

## REFUND POLICY

Total refunds will be given without question prior to the start of the program. After the program has started, a refund will be given only for medical or unavoidable circumstances. After authorization, a check will be issued as soon as possible so that there is a minimum of inconvenience to our patrons. Once a program begins, no refunds will be given.

## SUFFICIENT ENROLLMENT

Formation of classes depends upon sufficient enrollment and facility availability. The department reserves the right to cancel, change instructors or make other revisions deemed as necessary. Activities postponed due to inclement weather or absence of instructor will be made up at the earliest convenience of the instructor and the participant.

## EVERYONE BENEFITS

Everyone in the world has somehow benefited by public park and recreation programs at some time in their lives-directly or indirectly. The time has come to make the connection between past experiences and today's success, yesterday's activities and tomorrow's physical and mental wellness and today's taxpayer support and safe communities for our children and grandchildren. So, whether an avid participant or occasional observer, enjoy the benefit. It's everyone's right!

## CHECK POLICY

Make all checks payable to the Augusta Recreation and Parks Department. A \$25.00 service charge will be assessed by Augusta-Richmond County for all checks returned by the bank.

## MINIMUM AGE

Children under 8 must be accompanied by an adult 18 or over when visiting one of the Recreation and Park facilities.

## OUR GOAL

We strive to provide the best adult athletic programs possible. We offer a wide variety of sports including basketball, softball, volleyball and flag football. In addition to our open leagues, we encourage businesses and churches to participate in our industrial and church leagues.

We offer qualifying teams the opportunity to participate in the Georgia Recreation and Park Association district and state tournaments as well.

## REGISTRATION INFORMATION

For registration information contact our adult athletic coordinator at (706) 796-5025. You may also visit our office located at 2027 Lumpkin Road.

All players in the adult league must be 16 years of age and must sign a player participation form.

If you are interested in playing but are not associated with a team, your name can be added to a list and be given to teams who are in need of additional players.

## FEES

Our fees vary with the different sports but are based on the total number of games played during a single season. Fees are submitted as a total team fee and there is no individual participation fee required.

**Tom Moraetes, Director/Coach**

The Augusta Recreation and Parks Department, with assistance from area law enforcement agencies, implemented the Augusta Boxing Association/Augusta Police Athletic League (P.A.L.) in an effort to curtail drug abuse and crime among young adults and children.

This program uses boxing as a tool to attract young people to build their confidence, develop self discipline, learn to function as a team, develop good sportsmanship and experience the rewards of always striving to do their best.

The program is preventative in nature as opposed to rehabilitative. The majority of the participants have had no prior contact with the court system.
